Dear Parents

Today is our school census day. This is when information relating numbers on roll, attendance, free school meals, exclusions, etc relating to pupils who attend the school and nursery are collated and sent to the DfE for statistical analysis. Thank you to the parents who have received telephone calls regarding personal information required in order for us to update our records.

Please be aware that information regarding 'Attendance' will be coming out shortly. This continues to be an area of focus for the school as we strive for further improvements.

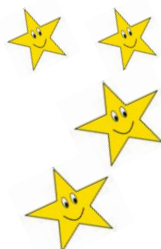

Have a lovely weekend.

Tim Wherry

Senior Head of School
