Should phone calls and/or texts need to be taken or made, use is restricted to those areas not accessed by children or **outside the school grounds** in order to

avoid any unnecessary disturbance or disruption to others.

Mobile phones must never be used to take photographs of children in the school building or grounds.

Any breach of these procedures could lead to the headteacher and governing body being informed and consequently disciplinary action according to the schools procedures.

We very much appreciate our parents' support in implementing this policy in order to keep your children/our pupils safe.
