On Thursday we will be holding our harvest festival service in the chapel from 9.15 am. Please feel free to join us.

On Friday 24th the school will be closed to children for target setting. During this day you and your child (children) are invited in to meet with the class teacher to discuss 'targets' to help them with their learning. This is the second time we have had a closure day for this and it is very important that you use this time effectively. 15 minute slots will be available from 8:30 am - 5:30 pm. If you are unable to make it in on the Friday, please see reception or the class teacher to discuss another convenient time.

A huge thank you to the members of staff who took 17 Year 4 children to Porthpean camping earlier this week. The weather may have been awful at times but the children had amazing experiences which were supported by our staff and the staff at Porthpean. Well done to the children for all of their achievements.

Have a great weekend.

Tim Wherry,
Headteacher

Football Match Report

On Tuesday our Year 5/6 football team played their first match of the season. Our pressure on the Treverbyn players soon told and Bradley scored. Following this Treverbyn scored an own goal, so at half time it was 2-0 to us. Straight after half time Bradley scored an excellent volley and then Brad scored a great individual solo goal using lots of skill. Finally Treverbyn got on the score-sheet after kicking the ball out of TJ's hands. After this TJ made two fantastic saves which meant that we won the match 4-1.

Be Bright Be Seen/Winter Coats

With the change in temperature, could we please remind parents to ensure that their children wear coats to school, so that children can enjoy the fresh air during breaktimes.

With the evenings which are now becoming darker can we ask that children try to wear reflective or brightly coloured clothes to and from school. If you are out on your bicycle don't forget to put your lights on.

Cross the road in safe areas that are well lit and follow the **Green Cross Code**:

1. First find the safest place to cross
2. Stop just before you get the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass
5. When it is safe, go straight across the road – do not run
