## Good to be Green

Well done to all the children who continue to work hard and show excellent behaviour in school. 180 texts (88.7%) were sent to parents for children that had remained 'green' all week. Well done.

## Abracadabra Maths Challenge

To develop mental maths all children at Bugle school take part in our 'Abracadabra Maths Challenge'. Your child has will bring home the Abracadabra Maths challenge sheet they are currently working on in school. This is checked regularly in class and when they answer all the questions in the allotted time correctly (in class) they are presented with a certificate in assembly. They will then move on to the next step of the scheme.

If you can practice with your child at home this will help to reinforce the work being done in school and can help your child to move through the challenge. We will send home completed sheets regularly along with a new blank sheet for them to work on. We request that you return the completed sheets you have done at home, to school each week. If you need any further information please do not hesitate to speak with your child's class teacher.

## Summer Fair Donations

Thank you for the donations received today for our Summer Fair which is next Friday 28<sup>th</sup> June. We welcome donations of gifts, toys, cakes, bric-a-brac, etc that could be sold or used as prizes on our tombola stalls for our fair.
