Dear Parents

Please find your child's academic report to accompany the newsletter this week. I am sure that you will appreciate the effort that has gone into writing these to show the progress that your child is making in school. There is also a questionnaire where we would really appreciate your feedback. This will help us to identify whole school strengths and where improvements can be made. Well done to the juniors who go to Polkyth to swim during the summer term. A member of the public commented to a member of staff that they have been coming to Polkyth for 11 years and Bugle is the best-behaved school they have seen. Brilliant news!

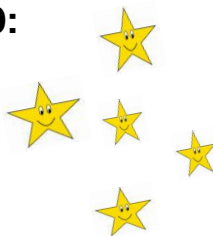

Have a lovely weekend.

Tim Wherry, Senior Head of School

Achievers Bugle Website

Please take a look at our website:

School Library

We have spent a lot of money updating our reading books. Including (by pupil request) several of the new David Walliams books. Which book will you read first?

Year 3 Trip to Carn Brea

The children explored folk tales, which refer to the Giant of Carn Brea who lost in a fight with another giant called Bolster, resident on St Agnes Beacon. The giant's petrified bones can still be seen in the rock formations that scatter the hilltop of Carn Brea.

Here are a few comments from Year 3 following their trip to last Monday and Friday:

It was so much fun! We were detectives and found the giant's head!

Archie

It was fun and adventurous. I loved all the pretty, wild flowers.

Myya

It was amazing. We could see for miles. We saw Redruth, St Ives and the Atlantic Ocean after our climb. The climb down was harder. It was so steep we had to lean back to be safe. Thanks Mr Spriggs.
