Dear Parents

You may have noticed that there has been some work taking place with the top school gates. The top school gate will be locked during the school day, which will make our school site more secure for pupils and staff alike. You will be able to access the school site using a call button on the top gate, which will notify the office that you wish to enter the premises. This is through our telephone system. Please bear with us whilst any teething issues are dealt with during the next few weeks, as staff may be on other calls, but will endeavour to assist you. The top gates will be open for parents to access the site to collect their children at the end of the day. The bottom gate, by the school hall will be locked and unlocked as usual for Piccolo 2 children to access the school hall.

A reminder that the school starts at 8.55 am. Pupils should be in class and settled for their lessons to start promptly at 8.55 am. Staff are available in the classrooms for the children to come in from 8.45 am and read if they would like to. This is to support one of our whole school targets which is to improve standards in reading. Thank you.

Next Tuesday 5th February, Chartwells have a special Chinese New Year meal. Further details overleaf.

Have a brilliant weekend. Tim Wherry, Senior Head of School

Achievers of the Week For the Week Ending 25/1/19:

RecJessicaYear 1EliasYear 2LolaYear 3RhubenYear 4TaraYear 5LukeYear 6CatalinaClass of the Week - ReceptionAttendance - Year 4Buddy - ElishaWell done!

Good to Be Green

Well done to all the children who continue to work hard and show excellent behaviour in school. 154 texts (77%) were sent to parents last Friday for children that had remained 'green' all week. Well done.

Go Active Holiday Club

Wednesday 20th February 8.30 am – 4.30 pm **£10.00 per child** Places are limited – book early to avoid disappointment!

	Only £10 for the day!
	a difference for children aged 5 - 14 years old. We have the biggest range of that include Nerf Guns, Bubble Football, Archery & Crossbows and more! As
	I you are entitled to a special discount compared to our online price (normal <u>www.goactivecornwall.co.uk</u>

Headlice

We are suffering from outbreaks of head lice throughout the school.

Lots of children get head lice, regardless of whether their hair is clean or dirty but dealing with this problem is only effective if everyone follows the routine for checking and treating an outbreak.

- The most important symptom is of course itching. This is caused by an allergic reaction to the saliva from the louse when it bites you. It feels like something is moving through your hair, which might tickle a bit.
- Red spots on the scalp. These are caused by lice bites, so look for these as well.

• Sores on your head which are caused by scratching Wet combing involves removing head lice with a special fine-toothed comb. It's suitable for everyone and is relatively inexpensive.

Lice removal combs are available to buy. Combs with flat-faced teeth spaced 0.2-0.3mm apart are best for removing head lice, although combs with smaller gaps can be used to remove eggs and nits (egg cases). A commonly used method is described below:

• Wash the hair with ordinary shampoo and apply plenty of conditioner.

- Use an ordinary, wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb.
- Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
- Draw the comb down from the roots to the ends of the hair with every stroke and check the comb for lice each time – remove lice by wiping the comb with tissue paper or rinsing it.
- Work through the hair, section by section, so that the whole head of hair is combed through.
- Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.
