Dear Parents,

I hope that you have all had an enjoyable half term. The children have returned very happy and highly motivated. I am sure this will continue. The school has just bought into Mathletics for every child and the staff received training on this last night. Your child will have their own personal access to this exciting internet based program. Look out for this coming home with your child in the coming days. Have a brilliant weekend.

Tim Wherry, Headteacher

Parent View

Parent View gives you the chance to tell Ofsted what you think about your child's school. Parent View asks for your opinion on 12 aspects of

your child's school, from the quality of teaching, to dealing with bullying and poor behaviour.

Ofsted uses the information provided when making decisions about which schools to inspect, and when. You can access Parent view through the internet available at: <https://parentview.ofsted.gov.uk/>

A screencast demonstrating how to register and complete a survey on Parent View is available on the 'how to use parent view' page.

By sharing your views, you'll be helping your child's school to improve. You will also be able to see what other parents have said about your child's school.

Changes to Contact Details

Please could contact either Mrs Rowe or Mrs Tippet if there are any changes to contact details (ie mobile phone numbers, second contact details, etc). This will ensure that we have correct and up to date information regarding contacts in case of emergency.

Public Health England Dental Public Health Epidemiology Programme, Oral Health Survey of 5 Year Old Children – Date Change

World Book Day takes place on **Thursday 5th March**. We will be having a non school uniform day when children will be able to come to school dressed either as their favourite book character or in pyjamas. A free book will be presented to every child, which they have already chosen from a list of World Book Day Books. We

have also encouraged children to bring in their favourite book to share with the rest of the class.
