Dear Parents,

We can see from the information below that not only are the children happy to be coming to school but they are also working very hard. The attendance has steadily improved throughout the school and it has been a long time since a class has had 100% attendance. Also the 172 texts that were sent home last Friday equals the most sent during the whole of last term – excellent!

Have a lovely weekend.

Well done!

Year 4 have been learning about China.....

We skyped a lady called Angela in America, Angela had lived in China for 4 years. We asked her some questions about China and learnt a few Chinese words. We also learnt some interesting facts like a panda is their national animal and they are very rare. By Keira and Raphaela

Mobile Phone Policy

Parents & other visitors:

We request that parents do not use mobile phones in the school building or grounds.

Should phone calls and/or texts need to be taken or made, use is restricted to those areas not accessed by children or **outside the school grounds** in order to avoid any unnecessary disturbance or disruption to others.

Mobile phones must never be used to take photographs of children in the school building or grounds.

Any breach of these procedures could lead to the headteacher and governing body being informed and consequently disciplinary action according to the schools procedures.

We very much appreciate our parents' support in implementing this policy in order to keep your children/our pupils safe.

Great News! We're running a Scholastic Book Club to earn free books for our school. We'll be sending the Book Club leaflets home so that you and your child can choose from the latest exciting selection of books. School Emergency Closures

A Guide for Parents and Guardians – 2014/15

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents and guardians. This document outlines the agreed procedure which all schools are asked to follow and offers advice to parents on the key things to consider, both before and after the decision to close has been made.

Guidance Given to Schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

- Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.
- Seek approval from the Governing Body (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.
- Notify Cornwall Council and the three local radio stations (BBC Radio Cornwall, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

Know Your School's Procedure

Although schools are asked to follow the above procedure, all schools should have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (e.g. via radio, text message systems). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to Contact?

If the decision is made to close, you will be notified by the text.

Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
