Dear Parents

I hope that you managed to enjoy some quality time with your child/ren during our recent emergency school closure snow days. It was lovely to see the snow, but it caused major disruption for drivers and deliveries across the country. Closing the school is not a decision we took lightly, but was made in the interest of health and safety for children and staff alike. Thank you for your understanding and support in this matter. Please ensure that we have your up to date contact details.

Owing to the closure days, we have had to move things around a little. Apologies for any inconvenience this causes. Please refer to the weekly newsletter for any rearranged events or activities.

Have a great weekend.

Tim Wherry, Senior Head of School
