Good to be Green

Well done to all the children who continue to work hard and show excellent behaviour in school. 175 texts (86.2%) were sent to parents for children that had remained 'green' all week. Well done.

Abracadabra Maths Challenge

To develop mental maths all children at Bugle school take part in our 'Abracadabra Maths Challenge'. Your child has will bring home the Abracadabra Maths challenge sheet they are currently working on in school. This is checked regularly in class and when they answer all the questions in the allotted time correctly (in class) they are presented with a certificate in assembly. They will then move on to the next step of the scheme.

If you can practice with your child at home this will help to reinforce the work being done in school and can help your child to move through the challenge. We will send home completed sheets regularly along with a new blank sheet for them to work on. We request that you return the completed sheets you have done at home, to school each week. If you need any further information, please do not hesitate to speak with your child's class teacher.

Summer Fair Friday 28th June

We welcome donations of gifts, toys, cakes, bric-a-brac, etc that could be sold or used as prizes on our tombola stalls for our fair tomorrow. Thank you.

Year 5 Concert at St Petroc's Church

Last Thursday our Year 5 children took part in a concert at St Petroc's Church in Bodmin. Here are some quotes from the children:

I enjoyed the marching.

Lily

I was nervous when my parents were there, but it was lovely to see them.

Paige

It was really fun and I want to do it again.

Bradley

Year 3 Minack Trip

Last Wednesday, Year 3 visited the Minack Theatre:

Minack was the best trip ever! It was fun! The place offered the most picturesque views. We watched the play 'Alibaba and the forty thieves', enjoying the ice cream to cool us down on the very hot day! Thank you Aspire!

Myya and Rhuben on behalf of Y3.
