Dear Parents,

Massive congratulations and well done to our athletics team who triumphed at Par running track on Tuesday afternoon. Twenty two children from the juniors took part in various track events against Roche, St Dennis, Nanpean and Foxhole. It was an extremely narrow victory in the end with St Dennis just one point behind. Thank you to Mr Nicholls for organising this successful event which has enabled over 100 local children to experience high quality, competitive athletics.

Next Monday and Tuesday will be transition days for the whole school. The children will be in their classes with the teachers and teaching assistants that they will be with from September onwards. In addition there will be an opportunity to meet and hear from their teachers in the hall next Tuesday 7<sup>th</sup> July. The infant teachers will be in the hall at 3:30pm and the juniors at 3:45pm. You will be able to meet them again early in September to discuss the topics your children will be covering etc. We look forward to seeing you on Tuesday after school.

Have a great weekend

Tim Wherry, Headteacher

## Year 1 Plant Sale

On Tuesday 9<sup>th</sup> June, Year 1 held a very successful plant sale to raise money for the RNLI, a charitable organisation who came to visit us earlier in the year. We are delighted to announce that we raised just over £30.00 for this incredible worthy cause.

We would like to say a massive '**thank you**' to all of the parents who donated to the sale and who brought items from us – we hope you are pleased with your purchases and your plants are flourishing.

Ms Croney

## Hot off the Press.....

Year 6 children are 'Over the Moon'. Eleven children, from Year 6 had their 'Out of this World Poems' published in the Young Writers South West Poets book for 2015. One of the poems was judged the best in this book. This was written by Ewan Millard well done. Mrs Ferris is so happy – well done Year 6.

## An Alien Invasion

They pummelled through our defence  
As the war of the worlds got more intense  
Gunshots, rockets and lasers being shot  
Dead bodies on the ground left there to rot  
The ultimatum was not succeeded  
More ammo and food was surely needed.

We evacuated to the moon  
As we knew the creatures would be here soon  
We knew they were coming, we knew they'd hunt us down  
I looked at everyone's faces and they all had a frown  
But I had to do something, I had to survive  
I had to find food, I had to stay alive.

With aliens around I can't get to sleep  
I hear the phones ringing *beep, beep!*  
But we couldn't pick them up or we'd be compromised  
And the least that would happen is being pulverised  
We need to set up camp, we need to set up base  
We need to kill those things, we need to win the race.

Those creatures are misanthropes  
All we have left is hope  
Their ships have a force field  
They were so big, it was impossible for humans to build  
No one can believe this  
Goodbye Earth, you will be missed.
