Dear Parents

Next Friday, 1st December we will be saying goodbye to Mrs Victoria Glass, our Deputy Manager of Piccolo Early Years Group. Mrs Glass has been with the school for many years, starting her role as a teaching assistant within the school before progressing to Piccolo and will be well known to many children. We wish her every success in her new role.

Next Tuesday and Wednesday, we have open evenings for parents. It would be great to see as many parents as possible. Please contact the office if you have not yet received your appointment date and time. Owing to open evenings, there will be no after school clubs on Tuesday 28<sup>th</sup> or Wednesday 29<sup>th</sup>.

Chartwells, our catering supplier, will be in our reception area offering food tasters to parents during these open evenings. Please make sure you have a taste of the lunches on offer to your child.

Have a lovely weekend.

Tim Wherry, Senior Head of School

With your help we  
raised £206.03 for  
**Children in Need**  
Thank you!

## Good to be Green

Well done to all of the children who continue to work hard and show excellent behaviour in school. 166 texts (85.5%) were sent to parents on Friday for children that had remained 'green' all week. Well done.

**Headlice** Unfortunately we seem to be suffering from repeated outbreaks of head lice throughout the school.

Lots of children get head lice, regardless of whether their hair is clean or dirty but dealing with this problem is only effective if everyone follows the routine for checking and treating an outbreak.

- The most important symptom is of course itching. This is caused by an allergic reaction to the saliva from the louse when it bites you. It feels like something is moving through your hair, which might tickle a bit.
- Red spots on the scalp. These are caused by lice bites, so look for these as well.
- Sores on your head which are caused by scratching

Wet combing involves removing head lice with a special fine-toothed comb. It's suitable for everyone and is relatively inexpensive.

A number of lice removal combs are available to buy. Combs with flat-faced teeth spaced 0.2-0.3mm apart are best for removing head lice, although combs with smaller gaps can be used to remove eggs and nits (egg cases).

A commonly used method is described below.

- Wash the hair with ordinary shampoo and apply plenty of conditioner.
- Use an ordinary, wide-toothed comb to straighten and untangle the hair.
- Once the comb moves freely through the hair without dragging, switch to the louse detection comb.
- Make sure the teeth of the comb slot into the hair at the roots, with the edge of the teeth lightly touching the scalp.
- Draw the comb down from the roots to the ends of the hair with every stroke, and check the comb for lice each time – remove lice by wiping the comb with tissue paper or rinsing it.
- Work through the hair, section by section, so that the whole head of hair is combed through.
- Do this at least twice to help ensure you haven't missed any areas, until no more lice are found.

**Breakfast Club** Piccolo Early Years Group provides a breakfast facility. Breakfast Club runs between 7.45 am-8.45 am. The cost per session is £2.50. Children after 8.15 am sessions £1.00 (no breakfast included). To reserve a space for your child or if you have any queries regarding the Breakfast Club please contact Ms McNamara on 01726 852686.

**Starting school** is an important step for your child. Cornwall Council want to make the process of applying for a school place as easy as possible.

**Reception Class** If your child was born between 1 September 2013 and 31 August 2014 you will need to apply for a school place for September 2018. **The deadline for applications is 15 January 2018.**

If you submit an application by 15 January 2018 you will be sent a letter in the post on 16 April 2018 telling you which school you have been allocated. If you opted through the online application system to also be notified by email, you will receive this on 16 April 2018.
