## Home Learning

Firstly, I would like to take this opportunity to thank you all for your commitment to Home Learning. The work that has been produced has been exceptional.

We understanding that this has not been an easy process, but you have all been incredible at supporting your children at this very difficult time.

We return to school on **Monday 22nd February** for Key worker and Vulnerable pupils and are still working towards the 8th March for the school to reopen. However, we must be guided by the government, so nothing is certain. We will have to wait for the roadmap from the Prime Minister on how schools will open. As soon as we know anything we will be in touch.

In the meantime, If you need support or help with anything, please get in contact and someone in the team will help you.

#### **Access to school:**

As you may be aware work has started on the new build at the front of the school, which has meant we have had to slightly change how to access the school during the day. You will still enter through the top gate, but there is now a walkway next to Year 1 classroom, there will be arrows painted on the ground to guide you.

#### **OFSTED**

You may have been aware that we had a virtual Ofsted visit the week beginning 1st February. As yet, we have not received the feedback from them, but as soon as we do we will send out the report for your information.

Please can we take this opportunity to thank those of you who completed the Parents' Questionnaire. Attached is our feedback from this survey.
