YOU ARE INCREDIBLE

Last week 2 families in our community wore football shirts to school to support cancer charities as a result of a family member being diagnosed. This week they hit the £500 mark raised. Thank you to everyone who joined in and well done to Freddie and Toby!

CHRISTMAS SHOP

The shop will be running slightly different this year. The classes will be given a photo of the items available and they will place an order. Mrs Rowe and Miss Taylor will then sort the gifts, name them and give them to the class teacher. Each gift will be **£1.50** and the children can buy two gifts. There are gifts available for mum, dad, grandparents etc.

The shop will be running on **Monday 14th and Tuesday 15th December.**

Please send any money in with your child/ren in a named envelope.

CHRISTMAS JUMPER DAY

Cornwall Childcare Survey 2020

Let us know your experiences and needs in relation to childcare in Cornwall. We will use the information you give us to inform our Childcare Sufficiency Assessment. This will help us make sure there are enough high-quality childcare places at the times and in the places that you, and other families, need them.

The survey will take approximately 10 minutes to complete and will close on **Sunday, 20 December 2020**. All of your answers will remain confidential and you will not be identified in any way in the reporting and use of this questionnaire. The data will be stored and processed in accordance with our [Privacy Notice](#).

If you would like help completing this survey, or would like a copy in a different language or format, please contact us on 0800 587 8191 or email childcare@cornwall.gov.uk. *Please click the link below:*

There's more to our Community Share Shop than a Library of Things. We host our hugely busy Community Fridge (free food for anyone who can use it and keep it out of the waste system) the Uniform Exchange (for schools around the area, not just Bugle) and even a DVD and Book Exchange.

How We Work while Covid-19 runs free. If you want to make an appointment and come in while the Community Share Shop is closed, you are most welcome. We now quarantine and clean items when they are returned, so we only let things out on a Friday, then they're ready to go the next Friday. We have invested in several pieces of equipment to help sanitise all sorts of items, and we've put items that encourage illegal activity (like having a party) on furlough. The borrower still agrees to return the item clean and complete, but we don't expect borrowers to do any extra cleaning or disinfecting. We only allow one person or family group in our shop at a time so please be prepared to wait outside if you turn up on spec.
