## Bodmin Regimental Museum

Last Friday, Year 5 went on a school trip to the Bodmin Regimental Museum. We found out lots of things we didn't know before! We experienced life in a trench with notes to peoples' loved ones. We played a Bugle

using our skills from playing the cornet in class and played on a piano.

We marched around the museum and found lots of artefacts as well as dressing up as different characters. We also had lots of fun making different medals and discovering new facts about the lives of the soldiers in the DCLI. One of favourite activities was being detectives, investigating the contents of a suitcase. We are now looking forward to performing in our concert on Thursday June 20th, 6pm at St Petroc's church. We hope you will come and watch us for free.

I liked it in the trenches, especially in the rain.

Paige

My favourite part was the gun room and the movie room about World War 1.

Jay

I enjoyed learning all the facts and the arts and crafts in the afternoon.

Grace
