

# Bugle School and Nursery

Head of School: Mr L Rees

Tuesday 7<sup>th</sup> September

Dear Parents/Carers of Bugle School Year 1 pupils,

Each term, we will send you a letter to let you know what your child will be learning about in each subject.

This term, Year 1 will be learning about themselves as a family member in their **History** lessons. We will start to develop our historical skills by exploring relationships within families, key events and historical celebrations. A knowledge organiser, sharing all of the information that the children will learn about in their History lessons, is attached. Please feel free to use this with your child to develop their knowledge and understanding at home.

In **Science**, the children will learn to identify a variety of common animals and describe them. They will also learn about humans and to identify a variety of common carnivores, herbivores and omnivores.

In **English**, the children's writing will be based on the traditional tale, The Little Red Hen. Their Whole Class Reading book will be from a selection of short stories.

In **Maths**, children will learn to compare, describe and solve practical problems about length, height, weight, capacity and quantities.

In **RE**, the children will explore the question 'Who made the world?' and in PSHE (Personal, social and health education) the children will learn about 'Being me in my world.'

In **Art** lessons, the children will be exploring colour and drawing related to our wider curriculum topics. In PE, they will be learning about co-ordination and footwork, which will happen on a **Thursday** – children should wear their PE kit to school on this day please.

**Homework:** this will be set every **Monday** by the class teacher and will be expected to be handed in on a **Friday**. The children will have a book to complete the work in. Homework will consist of: Spellings to be practiced and learnt, a mathematics sheet to be completed and daily reading at home. At times additional topics related homework may be set.
