ParentPay

- Have you tried using the ParentPay app?
- Did you know that by using ParentPay you can save the school time and money?
- It's so easy to use!

We are working towards having a cashless school office, making a payment to the school is straightforward and you can even do it on the move from your mobile!

ParentPay holds an electronic record of your payments to view later; no card details are stored in any part of the system.

Once you've activated your account you can make online payments straight away.

Activation letters have been re-sent to parents who have yet not accessed their pupils accounts.

A massive thank you to the parents who already use ParentPay – please can you help us encourage all our parents to use the app by spreading the word around at how easy and safe the system is.

Thank you.

Good to be Green

Well done to all the children who continue to work hard and show excellent behaviour in school. 165 texts (83%) were sent to parents on Friday for children that had remained 'green' all week. Well done.

Mother's Day Shop

Tomorrow and Friday the Friends of Bugle School will be holding a Mother's Day shop. Children will be able to purchase gifts at a set price of £1.50. Please could you send your child in with their money in either a purse or envelope which is clearly identified.

Easter Raffle

The Easter raffle tickets will be on sale in the playground before school £1.00 per strip. Donations for prizes for the Easter raffle (Easter egg, Easter activity pack, etc), would be most welcome. Thank you for your support.
