Key Messages

What a lovely start to the festive month we have had! We launched the Christmas period with our Carols Around the Tree event supported by the wonderful St Austell Band and our very own choir. Thank you to them both and to everyone who came to be a part of the evening.

We would also like to thank Richard Bate from Woodcut Who very kindly sponsored the event by donating the lights for the tree. It is wonderful to have the support of a local business. So please do go and see Woodcut for any of your timber needs!

We were delighted to welcome Mr Alf Honey to turn on the lights for us. Mr Honey is an ex-pupil of Bugle school and was a school governor for 35 years -so he was the perfect community member to launch this event. Thank you Mr Honey for being such a longstanding supporter of the school!

We have also invited the local group Derby and Joan in to hear our pupils sing their Nativity and Christmas songs. Some of our Year 6 pupils helped to set up the hall and served biscuits and cake to our visitors making it a lovely opportunity for our pupils to meet and interact with members of the local community. It was a huge success and the feedback from the group about the children was fantastic. Well done to all the children for representing the schools well.

I'd also like to thank the staff team who have made all of this possible, especially Mrs Rowe who has been busy organising for weeks.

On Wednesday we had our Elf Day when staff and children dressed up in Elf clothes, Christmas hats, jumpers and plenty of tinsel. It was a lovely day and everyone looked fabulous.

Next week brings our Christmas performances – we can't wait to see the children share their hard work with the parents. Please remember that due to the size of the hall, we can only have 2 adults per pupil to watch.

Have a lovely weekend,
Mrs Thorp and the whole Bugle Team

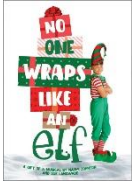

REMINDER!

When arriving at school for pick up and drop off, please enter the school grounds via the **pedestrian gate**. The vehicles gates are open to allow the mini bus, taxis and blue badge holders in. It is not safe for pedestrians to walk down the driveway, especially with children.

Many thanks for your support and understanding.
