

Weekly Newsletter – 15th November 2024

Key Messages

It has been so lovely to see the children in their yellow, spotty and Children in Need clothing today. We raised £135.00 which is brilliant in support of such an important cause.

The children showed great respect on Remembrance Day and stood quietly to honour those who gave their lives in the war. Thank you to everyone that bought items from the Poppy Appeal shop, another great cause to support. Well done to Daisy for laying the Bugle School wreath last Sunday, you represented the school beautifully.

Have a lovely weekend!

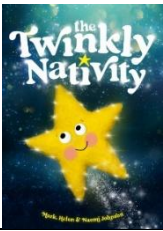

Mrs Thorp and the whole Bugle Team

Did you know... we now have an art studio!?!?

Our children are very fortunate to have a brand new inside and outside area to be creative! The Art Studio has been set up by Miss McNally and Mrs Torres so that children can reach their full artistic potential. These spaces that will showcase the children's amazing work. Other displays include pupil voice, artists of the week, colour theories for children to refer to and a careers board, to inspire the children and to show them where art can take them. When asked about the studio, children said "I like the displays. We might get to be the artist of the week which is like a star student." Another child added, "I prefer having my lessons in the studio because there is more space and the materials are all in one place." The children will be taught by both Miss McNally and the class teachers throughout the year, we can't wait to see all of their amazing creations!

Important upcoming dates 2024/25
