Attendance Matters

Why Attend Every Day?

At Bugle School, we believe that attendance is directly linked to achievement and helps develop skills for life

Here is an example on how regular non attendance can build up.

Stephen is a fictional child in Year 2.

His attendance rate is 90%. His parents think this is quite good.

MON		TUE		WED		THUR		FRI	

Stephen is absent for the equivalent of **one half day per week**.

In Year 2 Stephen's attendance rate means that he missed the equivalent of **four whole weeks** of lessons in the school year. If Stephen continues to attend for only 90% of the time, then over five years he will miss 20 weeks.

Our School Attendance Target is:

96%

Attendance League

Year 2	96.4%
Year 3	94.2%
Year 6	91.8%
Year R	90.9%
Year 1	89.1%
Year 5	87.9%
Nursery	85.6%
Year 4	85.4%

Week Ending : 4.2.22

Support is Available

To help remind you we will write to you if your child's attendance falls below 90%.

This letter will bring to your attention that absences are mounting up and that it's time to make a change or seek some support.

Please remember we are here to help you.

Sometimes just talking about how your child is can make a big difference to the pressure.

To make satisfactory progress and establish good relationships with others, children must attend school regularly.

What am I missing?
